RE: United States of America v. United States of America v. James William Smith
Criminal Case No. 1:11CR114

Dear Gene:

As continuing discovery under Rule 16(c) please find attached a document from Facebook showing log in times and IP addresses for James Smith's Facebook account from June 12, 2010 through June 10, 2011. I issued a trial subpoena for a Facebook record custodian to appear at trial and to bring the log in records and Facebook was kind enough to send the documents ahead of time.

I request any reciprocal discovery I am entitled to under Rule 16(b).

Very truly yours,

FELICIA C. ADAMS
United States Attorney
